PQ 2235/21 *To ask the Minister for Health the spend on private ambulances by hospital in each month in 2020; and if he will make a statement on the matter.*

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

Please find below data that you have requested in relation to the spend on private ambulance services which has been provided by HSE Corporate Finance Division and is based on January to June 2020 as this is the most recent data available.

Data is sourced from HSE Regional Financial ledgers and is for HSE statutory services only.

Please note 2020 figures are draft only, unaudited and are subject to change. Also note in view of the fact that there are still currently numerous ledger systems in operation in the HSE some differences in coding may arise.

I trust that this is helpful.

Yours sincerely,

Carol Ivory
