PQ 2574/20 * To ask the Minister for Health if a mass vaccination site will be established in Drogheda, County Louth as part of the national vaccination roll-out in view of its significant urban population and the fact that it is the largest town in Ireland; and if he will make a statement on the matter. -Fergus O'Dowd

Dear Deputy O'Dowd,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE has selected nine locations for use as mass vaccination centres. I wish to advise you that Drogheda is not one of the locations/towns selected. The HSE is in the process of reviewing sites/locations for use as local vaccination centres.

Yours sincerely,

Jim Curran
