Midwifery Opportunities at the Midland Regional Hospital Portlaoise

MIDLAND REGIONAL HOSPITAL PORTLAOISE IS CURRENTLY RECRUITING FOR REGISTERED MIDWIVES

The Maternity Department currently has a birth rate of approximately 1,500 deliveries per annum. The department is now recruiting for midwives interested in joining a highly motivated and dynamic team providing maternity care. The hospital is affiliated to Trinity College Dublin, Athlone Institute of Technology and provides training to undergraduate student midwives and nurses. The department has a young and dynamic team of staff midwives who are promoting the role of midwives, midwifery-led care and advanced midwifery practice in tandem with the National Maternity Strategy.

TESTIMONIALS

The best thing about being a Midwife in Midland Regional Hospital Portlaoise is working with the team, empowering the women and delivering the babies. The trust, care and compassion involved brings me so much joy!

*Jacqueline Dunne,
Clinical Midwife Manager*

As soon as I saw a baby being born as part of my nursing training, I knew I wanted to choose midwifery. I was hooked completely! It was the most amazing experience of my life and it is still is to this day.

*Susan O'Callaghan,
Advanced Midwife
Practitioner (candidate)*

*Mary-Emily
Miller, Clinical
Placement
Co-ordinator*

I am Clinical Placement Co-ordinator for the Maternity Students for Trinity College Dublin. I coordinate the students on placement and support the staff in doing so. The best part of my job is seeing the students succeed in their placement, it is thoroughly rewarding!
