

Measles cases in your area

MMR vaccine is the only way to protect against measles

2 doses of MMR vaccine are needed to give protection

Dose 1 is given by your GP at 12 months

Dose 2 is given by the HSE vaccination teams in Junior Infants

If your child missed their MMR vaccine

or

**if you are under 40 and never had the vaccine,
contact your GP today and get the free vaccine**

It's never too late to be vaccinated
