Home Support

To help a patient access home support on discharge, please complete the application form available on the ward and contact the patient's local public health nurse.

The completed form can be sent to the patient's local healthcare centre. Addresses and phone numbers for health centres and for public health nurses are available on your ward.

Interim Home Support

To help arrange short-term home support in a patient's home, please contact the appropriate discharge coordinator, who can make the referral.
